A flowchart with five rectangular boxes. The first box on the left is shaded gray and contains the text 'Lgm_get_eop_at_JD'. Three arrows originate from its right side: one points diagonally up to a box labeled 'Lgm_JD_to_Date', one points horizontally to a box labeled 'Lgm_Print_HMSd', and one points diagonally down to a box labeled 'spline'. From the 'Lgm_Print_HMSd' box, a fourth arrow points horizontally to the right, ending at a box labeled 'Lgm_UT_to_HMSd'. All boxes have black borders and black text.
