```

The diagram is a flowchart with six rectangular boxes. The first box on the left is shaded gray and contains the text 'Lgm_TT_to_TAI'. Three arrows originate from its right side: one points diagonally up and to the right to a box labeled 'Lgm_hour24'; one points horizontally to the right to a box labeled 'Lgm_JD'; and one points diagonally down and to the right to a box labeled 'Lgm_JD_to_Date'. From the 'Lgm_JD' box, two more arrows originate: one points diagonally up and to the right to a box labeled 'Lgm_IsLeapSecondDay', and one points diagonally down and to the right to a box labeled 'Lgm_JDN'. All boxes have black borders and black text.
