

Lgm\_TT\_to\_TAI

```
graph RL; _wrap_Lgm_TT_to_UTC --> Lgm_TT_to_UTC; Lgm_TDB_to_UTC --> Lgm_TT_to_UTC; Lgm_TT_to_UTC --> Lgm_TT_to_TAI;
```

The diagram illustrates the relationship between four time conversion functions. On the left is a gray box labeled 'Lgm\_TT\_to\_TAI'. To its right is a white box labeled 'Lgm\_TT\_to\_UTC'. A blue arrow points from the white box to the gray box. To the right of the white box are two more white boxes: '\_wrap\_Lgm\_TT\_to\_UTC' at the top and 'Lgm\_TDB\_to\_UTC' at the bottom. Blue arrows point from both of these boxes to the 'Lgm\_TT\_to\_UTC' box.
