

Lgm_IsValidDate

```
graph LR; A[Lgm_IsValidDate] --> B[Lgm_Doy]; A --> C[Lgm_LeapYear]; B --> C;
```

A flowchart with three rectangular boxes. The leftmost box, labeled 'Lgm_IsValidDate', has a light gray fill and a black border. It has two arrows pointing from its right side: one pointing diagonally up and right to a box labeled 'Lgm_Doy', and one pointing horizontally right to a box labeled 'Lgm_LeapYear'. The 'Lgm_Doy' box is white with a black border and has an arrow pointing diagonally down and right to the 'Lgm_LeapYear' box. The 'Lgm_LeapYear' box is white with a black border. All arrows are dark blue.
