```

A flowchart illustrating a process flow. It starts with a gray box labeled 'DEFORMED'. An arrow points from 'DEFORMED' to a white box labeled 'WARPED'. Another arrow points from 'WARPED' to a white box labeled 'UNWARPED'. From 'UNWARPED', two arrows branch out: one pointing up and right to a white box labeled 'SHLCAR5X5', and another pointing down and right to a white box labeled 'TAILDISK'.
